Carefully read and understand the information given in this manual before beginning the installation. Failure to do so could result in electric shock, fire, or other potentially dangerous or even fatal injuries.

#### INSTALLATION INSTRUCTIONS:

#### CLEANING & MAINTENANCE

Caution: Make sure the fixture is cool enough to touch. Do not perform cleaning or maintenance while the fixture is powered.

1. Turn OFF the power.
2. Use a soft cloth and a mild, non-abrasive glass cleaner.
3. Gently wipe and clean the fixture

#### Important Note:

DO NOT use solvents.  
DO NOT use cleaners that contain abrasive ingredients.  
NEVER spray cleaning liquid directly on the LEDs, fixture, and plugs.  
This fixture is for INDOOR USE ONLY.
